

Allen

Allen, Henry's dad, is a public relations, marketing and government relations professional. He is the Vice President of Corporate Communications for Neustar, Inc., a global Internet and telecommunications firm.

Allen began his career in Washington, DC more than 25 years ago working with trade associations for the nation's broadcasters, grocery stores and food manufacturers. After his time with the industry groups, Allen started working with Internet and hi-tech companies, including VarsityBooks.com, FKF Applied Research (a neuromarketing firm) and XM Satellite Radio.

In addition to serving on the Board of Directors of the Hope for Henry Foundation, Allen has worked with Laurie as a patient advocate for stem cell research and pre-implantation genetic diagnosis. He also helped start the Jewish Rock and Roll Hall of Fame, celebrating the Jewish contribution to popular music.
