

# HOPE FOR HENRY TOP FIVE REPORT

March 2024

## March is Child Life Month

March is dedicated to honoring Child Life Month, a time to recognize the remarkable Child Life Specialists who bring joy and healing to children in hospitals. Whether providing clinical care or fostering emotional safety through play and support, these specialists are unwavering in their commitment to their patients' well-being.

## Number of Kids Served

Hope for Henry just served our 130,000th patient! We're steadily getting closer to our goal of providing programming for every child in the country who could benefit.

## Partner Spotlight: Mattel

A huge shout out to Mattel for donating thousands of SUPER REWARDS, including Barbies, Little People, Thomas the Train toys, and Batman action figures. The healing effects of these gifts are profound and everlasting.

## Introducing Two New Hospital Partners

We are so excited to welcome Christus Children's Hospital and Nicklaus Children's Hospital to our ever-growing roster of partners! They represent our first partners in San Antonio and Miami, respectively.
